WINTER WARDROBE WONDERS

Join the North Pole Newsroom's star reporter, Kent Cook, as he embarks on a journey to find Santa at the South Pole. Instead of finding Santa, he stumbles upon a delightful surprise: **penguins!** These adorable creatures call the Antarctic home and are eager to greet visitors like Kent.

Stormy

Chilly

On his travels, Kent crosses paths with Chilly and Stormy, the dynamic twin duo who lead Santa's Fan Club in Antarctica. But, they're running late for their big meeting and need your fashion expertise to pick out the perfect outfits.
