DELIGHT

## Evergreen Holly:

Holly stays green all year, even in winter. It's like the hope and love that God gives us, which never goes away, even when things seem tough.

**Red Berries:** The red berries on the holly represent Jesus' love for us. Just like how He came into the world to show us love and bring us happiness.

## Meaning of the Candles

- Pink or Rose)

The pink or rose candle is like a giggle or a belly laugh. It's about being happy and having fun, just like playing with your favorite toys. This candle says, "Let's be joyful and enjoy life!"
